You are either relishing in victory or renewing your subscription for anti depressants from the election results this month. Regardless of what side of the political isle you reside you would have to agree that our political system appears to work. If a Government of the People, by the People and for the People is not what's coming out of Washington then we have not only the right but the obligation to vote in Legislators that will Govern as our founding fathers have intended and designed.

As we return to our traditional monthly Chapter Meeting schedule for November we look forward to our November Chapter meeting on Wednesday November 17, 2010 from 11:15-1:00PM at the FBI Regional Headquarters located at Century Center. This presentation topic; The Radicalization of our Prison Population, represents one of the most relevant threats to the spread of terrorism on US soil. Seating is limited so get your RSVP in before Friday November 12. See below for more details. We will also be announcing Greater Atlanta ASIS Chapter Officer nominations for 2011 to the at our November Chapter Meeting on the 17th.

We will wrap up our Year on Wednesday December 15, 2010 back at the Marriott Century Center Hotel. Our Chapter Meeting will be dedicated to the recognition of Security Officers, both public and private. In 2009 we recognized 15 Security Officer nominees from 6 companies in Metro Atlanta. From those nominations we selected one outstanding Security Officer and one Security Supervisor as Security Officers of the Year for 2009. This year we would like to receive greater than 25 nominations outlining the excellence, dedication and superior performance of Security Professionals in North Georgia. Recognizing excellence in the Security Officer profession helps raise the standard for the Industry. Help with this key event with your nominations before November 30, 2010.

As we head into the Thanksgiving Holiday we cannot help but reflect on how very fortunate we are as a nation to enjoy the liberties and freedoms we so often take for granted. We look forward to the opportunity to be part of an industry that supports and protects those very liberties. As always, thank you for the opportunity to serve as your ASIS Greater Atlanta Chapter Chair for 2010. We'll look forward to seeing you at our November Chapter Meeting.
